Lighting The Night Together

Fun Photo Guys®, a professional photography company based in Pleasant Hill, California, sponsored six Bay Area Light The Night Walks in the Autumn of 2008. Fun Photo Guys provided their portable portrait studio equipment and lighting to take photos of large corporate teams, groups, individuals and candid shots throughout the events. The photos were posted on the Fun Photo Guys® Internet Photo Gallery page immediately following the events.

About The Leukemia & Lymphoma Society's Light The Night Walks

Since its founding in 1949, LLS has invested more than \$600 million for research specifically targeting blood cancers. The Leukemia & Lymphoma Society (LLS) is the world's largest voluntary health organization dedicated to funding blood cancer research, education and patient services. The mission of LLS is to cure leukemia, lymphoma, Hodgkin's disease and myeloma, and improve the quality of life of patients and their families.

The Light The Night Walks are annual events held throughout the Bay Area to raise funds for cures. It's the nation's night to pay tribute and bring hope to thousands of patients battling cancer and their families. Funds raised through Light The Night Walks support the work of hundreds of the world's best and brightest researchers in their search for better therapies and cures for leukemia, lymphoma and myeloma.
